

Opening Methods

Fingerprint

Password

Smart Card

Mechanical Keys

Product Features

Touch Screen

A sleek touchscreen let you operate the system in a smart and aesthetic way.

Automatic Lock

Closing the door will automatically trigger the 3 lock bolts. So the door is always locked, you will never have to worry about it anymore.

SMS Function (Optional)

The lock send information and warning via SMS directly to your mobile phone.

Safe & Convenient

User Management

Every fingerprint is identified by a real name making them convenient to track, manage and delete through the lock screen.

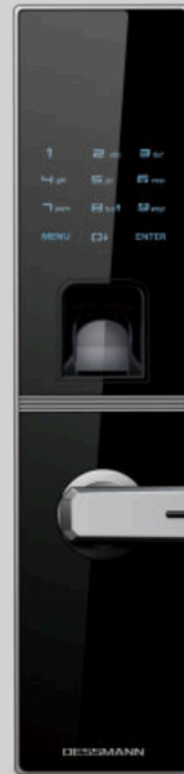

Long Lasting Batteries

Due to its mechanical function as a lock, it doesn't consume much power, thus prolonging battery life. Up to 8 batteries can be installed, hence effectively powering the lock for more than 12 months.

Weather Resistant

Resist the effects of weather as rain ($\leq 90\%RH$), cold and heat ($-25^{\circ}C$ to $+55^{\circ}C$).
